BACKGROUND AND UNDERSTANDING THIS LEASE

1. The purpose of this note is to assist in the understanding of the structure and commercial rationale of the terms of this lease. Tenants and their advisers remain responsible for reviewing and understanding the lease in full.
2. The Landlord (meaning, in this "Background and Understanding this Lease" section, the landlord named at clause LR3, and which shall include any Group Undertaking of that entity) is a manufacturer and supplier of certain drinks and owns an estate of public houses including the Property. Those public houses are let to tenants who agree to sell from them drinks which are supplied by the Landlord (the obligation to sell those drinks is referred to as a "**Tie**").
3. The lease is split into two parts, as follows:
 - 3.1 the standard lease terms are contained in the provisions up to and including schedule 3 ("**Standard Lease Terms**"); and
 - 3.2 the commercial terms specific to the Tie between the Landlord and Tenant are set out in schedule 4 ("**Tied Lease Terms**").
4. The Tied Lease Terms contain certain purchasing obligations, and other commercial terms, specifically relating to the Tie. The Basic Rent has been fixed having regard to the Tie and accordingly is lower than that which might otherwise be payable under this lease if those obligations did not exist.
5. Given the above, the Standard Lease Terms should be read in conjunction with the Tied Lease Terms which, in line with the Tie between the Landlord and Tenant, modify, or add to, a number of the obligations contained within the Standard Lease Terms.
6. It is important that both the Standard Lease Terms and the Tied Lease Terms are read in full but, to assist you in the understanding of this lease, the table below summarises the **key** Standard Lease Terms which are modified whilst the Tied Lease Terms apply:

Type of Clause	Position under Standard Lease Terms	Position under Tied Lease Terms
[Rent Frequency]	Clause 3.1 Monthly rent.	Paragraph 1 of Part 4 of Schedule 4 [Weekly rent.]
Repairing Obligations	Clause 3.4 Full repairing.	Part 6 of Schedule 4 Internal repairing, subject to a schedule of condition.
Rent Review	Schedule 2 Upwards-only open market rent review provisions, with the ability to refer to an independent surveyor.	Part 7 of Schedule 4 Upwards and downwards open market rent review provisions, with the ability to refer to PIRRS before referring to an independent surveyor.

Alienation	Clause 3.10 Assignment allowed (subject to offer-back provisions).	Part 8 of Schedule 4 Dealings prohibited (with no offer-back provisions and associated registration requirements).

THIS LEASE is made on the date set out in clause LR1 **BETWEEN** the parties respectively named in clause LR3.

 - 3.7.2.2 the Tenant has applied to the court for a new tenancy under the provisions of part II of the 1954 Act in which case the obligation to reinstate will not have effect until that application has been finally determined and either the court has not ordered the grant of a new lease containing provisions for reinstatement of such alterations at the end of the term of such new lease or the Tenant has elected not to enter into a new lease as ordered by the court.
- 3.7.3 The Tenant will carry out any work permitted under this lease in accordance with good building practice then current and to the Landlord's reasonable satisfaction.
- 3.7.4 If the CDM Regulations apply to any work that the Tenant carries out (or has carried out by a person acting with its authority) at the Property, the Tenant will:
- 3.7.4.1 (in relation to any such work for which the Tenant and the Landlord are both clients for the purposes of the CDM Regulations) be treated as the only client for the purposes of the CDM Regulations and accept sole responsibility for performing the client's duties to the extent that this is allowed by the CDM Regulations;
 - 3.7.4.2 perform such client's duties;
 - 3.7.4.3 provide the Landlord with Certified Copies of all notifications and declarations required to be given by such client under the CDM Regulations and all relevant notices relating to the work it receives from the Health and Safety Executive or other relevant body;
 - 3.7.4.4 promptly on completion of such work give the Landlord a copy of the health and safety file produced in accordance with the CDM Regulations and, as soon as practicable, any information to be added to such file; and
 - 3.7.4.5 take all practicable steps to obtain for the Landlord an unencumbered licence to copy and use all information comprised in or added to such file for any purpose related to the Landlord's Interest and to grant sub-licences and transfer such licence to third parties.

The Landlord will promptly make good any damage so caused to the Property or the Tenant's assets in the Property to the Tenant's reasonable satisfaction. In the case of an emergency, the Tenant will allow the Landlord such access without notice and at any time.

- 3.8.2 The Tenant will cooperate with the Landlord in enhancing the sustainable use of the Property by allowing the Landlord (if it so wishes) to carry out works to the Property which will improve the efficiency of the consumption or use of resources involved in the development, use and/or operation of the Property (including the installation and operation of equipment to measure the consumption of energy, water or other resources). Such works will be carried out at the Landlord's cost, in a reasonable manner and subject to the reasonable requirements of the Tenant.

3.9 Use

- 3.9.1 The Tenant will use the Property only for the Permitted Use and will not use the Property for residential (other than as permitted by clause 3.10.3 and save that the Tenant and the Tenant's family may reside in any ancillary living accommodation at the Property), illegal or immoral purposes or in a way which involves the attendance at the Property of members of the public in relation to the obtaining of state or similar benefits or of any licence or similar documents or the payment of taxes, penalties or similar sums.
- 3.9.2 The Tenant will not:

- 3.9.4 On receipt at the Property of any correspondence or notice addressed to the Landlord or relating to the Property or its use or to the Landlord's Interest, the Tenant will promptly give the Landlord a copy.
- 3.9.5 The Tenant will take all practicable steps to provide the Landlord with such information as the Landlord may reasonably require for the efficient management of the Property including information relating to the Tenant's use of energy, water and other resources and/or its handling of waste at the Property.

3.10 Dealings generally

- 3.10.2 The Tenant may assign the whole of the Property with the prior consent of the Landlord given by deed. The parties agree that, for the purposes of section 19(1A) of the Landlord and Tenant Act 1927, the Landlord may:

- (a) the Tenant is not in full compliance with the provisions of schedule 3;
- (b) the assignee is a Group Company; or
- (c) the assignee enjoys diplomatic or state immunity (but is not the government of the United Kingdom or a department of it); or
- (d) the assignee is an Existing Guarantor; or

- (f) the assignee is not domiciled in a jurisdiction in which a court order obtained in England and Wales may be enforced without consideration of the substance of the case,

and in any other circumstances in which it is reasonable for the Landlord to do so; and

3.10.2.2 grant consent to such an assignment subject to any of the following conditions:

- (a) the entry by the Tenant and every person who by section 11 of the 1995 Act remains bound by the Tenant's obligations under

this lease into an Authorised Guarantee Agreement in such form as the Landlord may reasonably require;

- (b) that each person who is an Existing Guarantor of the Tenant under this lease (and, if more than one, jointly and severally) enters into a guarantee with the Landlord of the Tenant's obligations under the Authorised Guarantee Agreement given pursuant to clause 3.10.2.2(a) in such form as the Landlord may reasonably require;
- (c) the Tenant permitting every rent deposit or other security held by the Landlord immediately before the assignment in relation to any Liabilities of the Tenant under this lease to be held as security for the Liabilities of the Tenant under any Authorised Guarantee Agreement; and
- (d) if the Landlord reasonably requires, either:
 - (i) at least one person (who is not an Existing Guarantor) who is acceptable to the Landlord (acting reasonably) entering into a deed guaranteeing to the Landlord that the assignee will fulfil the Tenant's obligations under this lease, the deed being in the terms set out in schedule 1 as if references there to the "Tenant" were references to the assignee and, if more than one person is giving the guarantee, their obligations being joint and several; or
 - (ii) the assignee entering into a rent deposit deed with the Landlord for such amount and in such form as the Landlord may reasonably require and paying the amount set out in such deed by way of cleared funds,

and any other conditions which are reasonable for the Landlord to impose.

- 3.10.3 Without prejudice to the above, the Tenant (where appropriate) may, with the approval of the Landlord (not to be unreasonably withheld or delayed) allow any member of staff employed by the Tenant in respect of the Business, together with such person's immediate family, to occupy any ancillary living accommodation at the Property for residential purposes only on the basis of a service occupancy and without creating any security of tenure provided that such person, together with their family, will immediately vacate the Property on ceasing to be employed by the Tenant in respect of the Business.

3.11 Registration of dealings

The Tenant will:

- 3.11.1 within one month of any Dealing:
 - 3.11.1.1 give notice of such Dealing to the Landlord's solicitors;

3.12 Legislative Requirements and Legislative Consents

- 3.12.1 The Tenant will:
 - 3.12.1.1 comply with every Legislative Requirement and every condition to any Legislative Consent relating to the Property or its use whether or not the Tenant is the person on whom either the Legislative Requirement or such condition is imposed; and
 - 3.12.1.2 complete before the determination of the Term any work required to be done to the Property as a condition to a Legislative Consent that the Tenant has begun to implement.

 - 3.12.2.4 serve a notice relating to the Property under part VI of the Town and Country Planning Act 1990; or
 - 3.12.2.5 (unless it is required to comply with a Legislative Requirement or to carry out an alteration permitted under this lease or to implement the Permitted Use) apply for a Legislative Consent relating to the Property.
- 3.12.3 In relation to the Necessary Licences, the Tenant will:
 - 3.12.3.1 at all times during the Term procure that the Necessary Licences are in existence and in the name of the Tenant if an individual or in the name of its nominee if otherwise and will apply for and use its best endeavours to obtain renewals of the Necessary Licences and will pay the fees as and when they become payable;
 - 3.12.3.2 observe and perform all undertakings given to the Licensing Authorities in respect of the Property and the Necessary Licences (so far as the same are applicable to the Tenant) and will observe any lawful conditions from time to time attached to the Necessary Licences by the Licensing Authorities;

- 3.12.3.3 not do (and not fail to do) anything on the Property or elsewhere by which the Tenant (and any agent or employee of the Tenant who holds any of the Necessary Licences) renders itself liable to conviction for any offence which may have an adverse effect on the Necessary Licences and/or the Permitted Use;
 - 3.12.3.4 not do (and not fail to do) on the Property or elsewhere any act which may result in the Necessary Licences becoming forfeit, void, revoked or subject to any other restrictions;

 - 3.12.3.9 immediately upon receipt of the same serve notice on the Landlord of any notices (together with copies) which may have an effect on the Necessary Licences and will inform the Landlord of any complaints received by the Tenant in respect of the Property and the Permitted Use;
 - 3.12.3.10 at the end of the Term (however it ends) procure the transfer and handing over of the Necessary Licences to the Landlord or a nominee of the Landlord (other than those licences which are personal within the meaning of section 111 of the Licensing Act 2003);
 - 3.12.3.11 attend when required by the Landlord before the Licensing Authorities and do all other acts and things which may be necessary to transfer the Necessary Licences as in clause 3.12.3.10 or which may be necessary to obtain for the succeeding occupier any order or authority to enable such person to carry out the Permitted Use at the Property as soon as possible.
- 3.12.4 It is agreed that if the Licensing Authorities refuse to renew or transfer the Necessary Licences or if the Tenant refuses or neglects to renew the Necessary Licences or to transfer them to the Landlord or its nominee, it will be lawful for the Landlord or its nominee to do all things necessary to appeal against any refusal by the Licensing Authorities to renew or transfer the Necessary Licences or to effect such renewal or transfer (as the case may be) in the name of the Tenant and, where applicable, as the agent of the Tenant and the Tenant irrevocably appoints the Landlord to do any act or execute any document in the name of and on behalf of the Tenant as the lawfully appointed attorney of the Tenant. Such appointment shall have effect pursuant to section 4 of the Power of Attorney Act 1971 and the

Landlord's rights under this clause shall not affect its rights and remedies under this lease and under general law.

- 3.12.5 The Tenant will procure that all persons named as licensees on the Necessary Licences comply with the Tenant's obligations in clauses 3.12.3 and 3.12.4.

3.13 Notices relating to Landlord's dealings

The Tenant will allow the Landlord to fix in a reasonable position on the exterior of the Property a notice relating to any dealing with the Landlord's Interest or any other interest superior to this lease and not remove or obscure it if such notice neither obstructs the Tenant's own signage nor diminishes the access of light and air to the Property in a material way but no such notice relating to a reletting of the Property may be affixed from the date on which a notice has been served under part II of the 1954 Act relating to a renewal of this lease until either the date for commencement of proceedings for such renewal has passed without such proceedings being commenced or, if such proceedings are properly commenced, they have been disposed of.

3.14 New guarantor

The Tenant will notify the Landlord within 20 Business Days if the Guarantor becomes Insolvent or any Guarantor being an individual (or if individuals any one of them) dies or lacks capacity for the purposes of section 2 of the Mental Capacity Act 2005. In any such case, if the Landlord requires, the Tenant will procure that within two months of such requirement some other person reasonably acceptable to the Landlord executes as a deed a guarantee in the terms of schedule 1 with such amendments as the Landlord reasonably requires.

and (without lessening the effect of this obligation) the Tenant acknowledges that the Landlord may treat anything left by the Tenant at the Property at the determination of the Term as having been abandoned;

- 3.16.2 hand the Property back to the Landlord:
 - 3.16.2.1 with vacant possession; and
 - 3.16.2.2 in the condition required by the Tenant's obligations in this lease;
- 3.16.3 deliver to the Landlord:
 - 3.16.3.1 all keys and other access devices for the Property;
 - 3.16.3.2 the original of this lease;
 - 3.16.3.3 all assessments and other records created by it or on its behalf in its capacity as a dutyholder (within the meaning of the Control of Asbestos Regulations 2012) and as a responsible person under the Regulatory Reform (Fire Safety) Order 2005 in relation to the Property; and
 - 3.16.3.4 any health and safety file prepared under the CDM Regulations under clause 3.7.4.4; and
- 3.16.4 (to the extent that it has not already been done) take all practicable steps to obtain for the Landlord an unencumbered licence allowing the Landlord to copy and use all information comprised in the documents referred to in clauses 3.16.3.3 and 3.16.3.4 for any purpose related to the Landlord's Interest and to grant sublicences and transfer such licence to third parties.

3.17 VAT

The Tenant will:

- 3.17.1 pay the VAT chargeable on sums due from the Tenant and any other consideration to be provided or deemed to be provided by the Tenant under this lease;
- 3.17.2 where the Tenant agrees in this lease to reimburse the Landlord for a payment made by the Landlord, pay the Landlord an amount equal to the relevant VAT paid by the Landlord unless such VAT is recovered by the Landlord; and
- 3.17.3 not do anything that would result in any option to tax relating to the Landlord's Interest being disappplied or otherwise ceasing to have effect.

3.18 Superior lease

The Tenant will comply with the obligations of the tenant contained or referred to in any lease which is superior to this lease. This clause does not apply:

- 3.18.1 where the Landlord expressly agrees in this lease to comply with the relevant obligations; or

3.18.2 to obligations relating either to the payment of rent or to premises other than the Property.

3.19 Land registration

3.19.1 The Tenant will not apply under rule 81 of the Land Registration Rules 2003 for the registration of an agreed notice against the Landlord's title to the Property in relation to this lease. The Tenant may apply under rule 83 of such Rules for the registration of a unilateral notice in such respect.

3.19.2 The Tenant will:

3.19.2.1 forthwith procure the registration of a land charge relating to the right granted to the Landlord by clause 3.10.2.1(a) under section 2(4)(iv) of the Land Charges Act 1972;

3.19.2.2 as soon as practicable supply the Landlord with an office copy of such land charge; and

3.19.2.3 not remove such registration whilst this lease subsists.

3.19.3 On the determination of the Term, the Tenant will promptly and at its own expense close any registered title relating to this lease and cancel any note of this lease made in any title at HM Land Registry.

3.20 Landlord's title

The Tenant will comply with all obligations referred to in clause 2.4 so far as any of them are capable of taking effect and relate to the Property or the exercise of rights granted by this lease.

3.21 Costs

The Tenant will pay the Landlord the costs and expenses properly incurred by the Landlord in connection with:

3.21.1 dealing with an application by the Tenant for an approval or consent under this lease (except where such application is held by the court to have been unlawfully refused);

3.21.2 the preparation and completion of a guarantee of the kind referred to in clause 3.14;

3.21.3 enforcing any obligation undertaken by the Tenant in this lease (including preparing and serving a notice under section 146 of the Law of Property Act 1925 and proceedings under section 146 or 147 of that Act, even if forfeiture is avoided without a court order);

3.21.4 the engagement of managing agents in respect of all matters connected with the lease and the management of the Property including the collection of rents and other sums under the lease and monitoring compliance by the Tenant with its covenants under this lease; and

3.21.5 preparing and serving a schedule of dilapidations during the Term or within a period of 3 months after the determination of the Term.

3.22 Regulations

To comply in all respects with any ancillary regulations which the Landlord may impose during the Term in connection with the Permitted Use and where there is a conflict between any regulations so imposed and the terms of this lease, the terms of this lease shall prevail.

3.23 Tenant's Fittings

The Tenant agrees with the Landlord that it will not during the Term dispose of any articles specified in the Tenant's Fittings (whether Selected Items or otherwise) without first offering to sell the same to the Landlord for the Valuation.

4. LANDLORD'S OBLIGATIONS

4.1 No unlawful interruptions

The Landlord will allow the Tenant to enjoy the Property during the Term without any unlawful interruption by the Landlord or any person claiming under or in trust for the Landlord.

4.2 Superior lease

The Landlord will pay the rent payable under any superior lease and comply with the tenant's obligations under it insofar as they are not the responsibility of the Tenant under this lease or relate to premises other than the Property.

5. INSURANCE AND REINSTATEMENT

5.1 Provision of insurance

5.1.1 Subject to the provisions of clause 5.2, the Landlord will insure and/or provide cover against:

5.1.1.1 the Insured Risks causing damage to the Property in the sum referred to at clause 5.1.2;

5.1.1.2 Loss of Rent; and

5.1.1.3 the Landlord's (but not the Tenant's) third party liability, employer's liability and public liability risks in relation to the Property and such other of its risks as the Landlord properly determines from time to time in a sum properly determined by the Landlord,

provided that the Landlord may, if it so desires, meet the costs that may arise in relation to the matters referred to in clauses 5.1.1.1 to 5.1.1.3 above from its own resources and where the Landlord chooses to do so, it will be assumed that:

5.1.1.4 the Landlord has met with its obligations in this clause 5.1; and

5.1.1.5 the Property is insured on the Landlord's usual terms of insurance,

5.1.1.6 and the lease is to be interpreted accordingly.

- 5.1.2 The insurance and/or cover referred to at clause 5.1.1.1 is to be for the cost of reinstatement of the Property, together with a due allowance for:
- 5.1.2.1 an increase in building and other costs during the remainder of the relevant period;
 - 5.1.2.2 the cost of demolition, site clearance, security and supporting the damaged part of the Property;
 - 5.1.2.3 the cost of complying with any Legislative Requirement;
 - 5.1.2.4 professional fees; and
 - 5.1.2.5 (if appropriate) VAT on all such sums.

5.2 Qualifications on the Landlord's obligation to insure

The Landlord's obligation in clause 5.1 is subject to:

- 5.2.1 the insurance and/or cover not being made less effective by an act or omission of the Tenant or an Invitee;
- 5.2.2 any conditions, excesses, exclusions and limitations required by the Insurer or as the Landlord may, acting properly, require or negotiate; and
- 5.2.3 insurance and/or cover against any given Insured Risk being generally available in the United Kingdom insurance market on economic terms.

5.3 Evidence of insurance

The Landlord will produce:

- 5.3.1 when requested to do so:
 - 5.3.1.1 a property certificate of insurance; and
 - 5.3.1.2 a summary of the cover provided; and
- 5.3.2 within 15 Business Days of a transfer of the Landlord's Interest, evidence of its insurance of the Property,

save that the Landlord shall not be required to provide any such documentation more than once in every twelve month period.

5.4 Reinstatement

Subject to clause 5.5, if an Insured Risk damages the Property, the Landlord will procure that the proceeds of the Landlord's insurance (except for Loss of Rent) and any money received from the Tenant under clause 5.6.4 or 5.6.5 are used to reinstate the damage and, if they are insufficient because of the Landlord's act or omission, make up the shortfall itself.

5.5 Qualifications on the Landlord's obligation to reinstate

- 5.5.1 The Landlord is not obliged to reinstate damage caused by an Insured Risk if:
- 5.5.1.1 the Insurer would be entitled to refuse to pay the whole or any part of the cost of reinstating the damage because of any act or omission of the Tenant or an Invitee, and the Tenant fails to make up the shortfall under clause 5.6.5; or
 - 5.5.1.2 it cannot obtain every necessary Legislative Consent; or
 - 5.5.1.3 a necessary Legislative Consent is granted subject to a lawful condition and it would be unreasonable to expect the Landlord to comply with that condition; or
 - 5.5.1.4 the planning or highway authority insists that as a precondition to giving a necessary Legislative Consent the Landlord must enter into an agreement with the authority containing a term where it would be unreasonable to expect the Landlord to comply with that term; or
 - 5.5.1.5 there is a defect in the site of the Property so that reinstatement could not be carried out or could be carried out only at excessive cost; or
 - 5.5.1.6 it is prevented from reinstating by any other reason outside the Landlord's control.
- 5.5.2 The Landlord may so reinstate the Property in a different form to that existing before the damage occurred where the variation:
- 5.5.2.1 is required either by the Insurer, a third party or to comply with a Legislative Requirement; or
 - 5.5.2.2 reflects good building practice then current; or
 - 5.5.2.3 is reasonably required by the Landlord for some other reason,
- but any such variation must not make the Property materially different in size or less amenable than it was before the damage occurred.
- 5.5.3 The Landlord's obligation to insure the Property does not include an obligation to insure or to reinstate the Tenant's Fittings unless:
- 5.5.3.1 such items have been installed in the Property by the carrying out of alterations made to the Property with the Landlord's consent;
 - 5.5.3.2 the Tenant notifies the Landlord that it has carried out the alterations and includes details of the reinstatement cost of the alterations; and
 - 5.5.3.3 the Tenant pays any increased premium payable as a result of the alterations.

5.6 Tenant's obligations

The Tenant will:

- 5.6.1 pay the Landlord;
 - 5.6.1.1 the Insurance Rent;
 - 5.6.1.2 the Insurance Excess; and
 - 5.6.1.3 the proper costs of any professional valuation of the Property for insurance purposes prepared no later than three years from today and again at intervals of no less than every three years;
- 5.6.2 notify the Landlord of anything within its knowledge material to the insurance and/or cover effected by the Landlord under clause 5.1 and, as soon as the Tenant becomes aware of it, that the Property has been damaged by an Insured Risk;
- 5.6.3 comply with the requirements of the Landlord and the Insurer of which the Tenant has notice;
- 5.6.4 apply the proceeds of any insurance it maintains in relation to the physical condition of the Property to make good the damage to which it relates;
- 5.6.5 (where there is a shortfall in the proceeds of the Landlord's insurance and/or cover because of an act or omission of the Tenant or an Invitee) pay the shortfall to the Landlord; and
- 5.6.6 not make insurance effected by the Landlord under clause 5.1 less effective nor cause the premium the Landlord pays for such insurance to be increased; and
- 5.6.7 where the Landlord is complying with its obligations to reinstate the Property under clause 5.4, not impede the Landlord (and where necessary will vacate the Property and remove its fixtures and goods).

5.7 Rent suspension

- 5.7.1 If an Insured Risk damages the Property so that it is Unfit, the Basic Rent will be suspended until:
 - 5.7.1.1 the Landlord has reinstated the Property so that it is no longer Unfit in accordance with this lease; or
 - 5.7.1.2 the Landlord's insurance and/or cover against Loss of Rent ends,whichever is the sooner, but only a fair proportion of the Basic Rent is to be suspended if:
 - 5.7.1.3 the Property is not totally Unfit; or

5.7.1.4 there is a shortfall in the proceeds of the Landlord's insurance because of an act or omission of the Tenant or an Invitee,

and the Landlord will repay to the Tenant the appropriate proportion of the Basic Rent paid in advance and referable to a period after the date on which the damage occurred and which would otherwise have been suspended under the terms of this clause.

5.7.2 Any disputes as to the operation of this clause 5.7 are to be referred to arbitration.

5.8 Determination

5.8.1 If an Insured Risk damages the Property so that it is Unfit and either:

5.8.1.1 the Landlord is not obliged to reinstate it; or

5.8.1.2 the Landlord has not completed the reinstatement by the date which is the third anniversary of the date of destruction or damage,

then this lease may be determined by the Landlord or (unless clause 5.5.1.1 applies) by the Tenant by notice to the other, unless (in the case of a notice given by the Tenant) the Landlord has reinstated the damage before the notice is given.

5.8.2 If this lease is determined under this clause, any money received from the Insurer belongs to the Landlord.

5.9 Uninsured Damage

5.9.1 In this clause 5.9:

"Insured Damage" means damage to the Property by any of the Insured Risks but excluding any Uninsured Damage and any damage in relation to which the Landlord's insurance is made less effective by the Tenant (unless the Tenant promptly pays to the Landlord the amount of insurance monies so made irrecoverable);

"Negative Election Notice" means a notice served by the Landlord on the Tenant under this clause 5.9 stating that the Landlord does not intend to reinstate the Property after the occurrence of Uninsured Damage;

"Policy Exclusion" means any condition, exclusion or limitation which may be imposed by the Insurer (but does not include any excess);

"Positive Election Notice" means a notice served by the Landlord on the Tenant under this clause 5.9 stating that the Landlord intends to reinstate the Property after the occurrence of Uninsured Damage; and

"Uninsured Damage" means damage to the Property (but not of Tenant's Fittings in the Property) by any Insured Risks which:

- (a) makes the Property Unfit; and
- (b) is not insured against because insurance against the risk which caused such damage is not available at all or is not available in the United

Kingdom insurance market at economic rates at the relevant time or it is not insured or fully insured by reason of a Policy Exclusion, so that the full cost of reinstatement is not recoverable by the Landlord under the insurance effected by it under clause 5.1,

but does not include any damage in relation to which the Landlord's insurance is made less effective by the Tenant.

- 5.9.2 If there is Uninsured Damage, then:
- 5.9.2.1 the Tenant remains responsible to pay the Landlord the Basic Rent until the determination of this lease under clause 5.9.3, clause 5.9.4 or (subject to the provisions of clause 5.9.5.3 relating to rent suspension) clause 5.9.5.5 but will not be obliged to reinstate the Property; and
 - 5.9.2.2 (subject to the provisions of clause 5.9.3) the Landlord will serve either a Positive Election Notice or a Negative Election Notice within 12 months following the date on which the Uninsured Damage occurs.
- 5.9.3 If, after the expiry of 12 months from the date on which the Uninsured Damage occurs, the Landlord has not served either a Positive Election Notice or a Negative Election Notice, then the Tenant may determine this lease by the service of notice unless, before that occurs, the Landlord serves either a Positive Election Notice (in which case the terms of clause 5.9.5 will apply) or a Negative Election Notice (in which case the terms of clause 5.9.4 will apply).
- 5.9.4 If the Landlord serves a Negative Election Notice, then this lease will be deemed to have been immediately determined.
- 5.9.5 If the Landlord serves a Positive Election Notice, then:
- 5.9.5.1 the Landlord immediately loses its entitlement to serve a Negative Election Notice;
 - 5.9.5.2 the Landlord will reinstate the Property at its own cost but otherwise subject to the terms of clause 5.4;
 - 5.9.5.3 from the date of service of a Positive Election Notice and until this lease is determined under clause 5.9.5.5, clause 5.7 will have effect as if the Uninsured Damage had been Insured Damage until reinstatement has been carried out to the extent that the Property is in all material respects no longer Unfit;
 - 5.9.5.4 any amounts due from the Tenant under this lease which have been paid to the Landlord in advance at the date of service of a Positive Election Notice and are referable to a period after such date will be promptly refunded to the Tenant; and
 - 5.9.5.5 if, after the expiry of a period of three years from and including the date on which Uninsured Damage occurs, reinstatement has not been completed so that the Property remains Unfit, then the Tenant may determine this lease on three months' notice unless the Landlord will before the expiry of such notice have so completed such reinstatement.

5.9.6 The rights and remedies of each of the parties in relation to earlier breaches of obligations under this lease by the other will not be affected by any determination of this lease under this clause 5.9 but, if a Negative Election Notice is served, the Tenant will have no claim against the Landlord for the failure by the Landlord to reinstate the Property.

6. TIED LEASE AGREEMENT

The parties agree that the provisions of schedule 4 shall apply so as to vary the other provisions of this lease as specified in it and each of the Landlord and the Tenant covenant with the other to observe and perform the obligations on their respective parts contained in schedule 4 [and the Guarantor agrees that its obligations shall be read and construed accordingly].

7. AGREEMENTS

The parties agree as follows:

7.1 Forfeiture

If any sum due to the Landlord from the Tenant under this lease is outstanding for 10 Business Days after it becomes due (in the case of the Basic Rent whether formally demanded or not) or the Tenant breaches any obligation in this lease or the Tenant or the Guarantor (and, if more than one person, any of them) is or becomes Insolvent, then the Landlord may determine this lease by re-entering the Property.

7.2 Notices etc

7.2.1 Any notice to be given under this lease must be in writing and given by one of the means set out in clause 7.2.2. A notice for the purposes of this clause 7.2 includes a 1988 Act Application.

7.2.2 The means of service referred to in clause 7.2.1 are:

7.2.2.1 being sent by special delivery post or delivered by hand to the receiving party's registered office (where that party is a corporate body) or to such party's address for service in the United Kingdom as set out in clause LR3 or as notified to the other parties; or

7.2.2.2 being sent by email to the receiving party at an email address notified to the other parties for the purposes of service of notices relating to this lease.

7.2.3 For service by special delivery post a paper copy or an electronic copy of a proof of delivery issued by the Royal Mail will be the only acceptable evidence that the relevant notice was served and of the time and date it was served. For service by email the delivery to the sender of an automated response to the effect that either the email cannot be delivered to such address or that the intended recipient is not monitoring incoming email constitutes proof that service has not occurred.

7.2.4 If service occurs either on a Business Day after 4.00pm or on a day which is not a Business Day, then service will be deemed to have occurred on the next Business Day.

7.2.5 If the Landlord or its agent or employee responds to any 1988 Act Application (otherwise than by way of an automated email response), then that application will be deemed to have been validly served for the purposes of this lease and section 5(2)(a) of that Act even though a means of service specified in clause 7.2.2 has not been used.

7.3 Easements and rights

7.3.1 The grant of this lease does not create by implication any easements or other rights for the benefit of the Property or the Tenant and the operation of section 62 of the Law of Property Act 1925 is excluded.

7.3.2 The grant of this lease does not include any easements or other rights over any adjoining or other property except for those which are expressly set out in this lease.

7.3.3 The Landlord may use or allow to be used or carry out or allow works to nearby premises (including the erection of scaffolding) even if any light or any other facility enjoyed by the Property is adversely affected by them.

7.4 Landlord's consents and approvals

7.4.1 The Landlord will not be obliged to consider an application for its consent or approval under this lease until:

7.4.1.1 it has been supplied with all information it properly requires in order to determine the application; and

7.4.1.2 it holds either a solicitor's undertaking to pay the Landlord an amount that the Landlord reasonably estimates its costs and expenses under clause 3.21.1 would be or a payment in cleared funds of such amount to be held by the Landlord on account of such costs.

7.4.2 Any consent or approval of the Landlord required under this lease:

7.4.2.1 must be obtained before the matter to which it relates is carried out;

7.4.2.2 is effective only if it is given in writing and, where so specified, by deed;

7.4.2.3 is only effective if any necessary consent from any superior landlord and any mortgagee of the Landlord's Interest or any other interest in the Property superior to this lease has been obtained; and

7.4.2.4 (unless otherwise stated) is not to be unreasonably withheld or delayed but may be issued subject to proper and reasonable conditions.

7.5 VAT

Unless stated otherwise, any sum to be paid or consideration to be provided or deemed to be provided under this lease is exclusive of VAT.

7.6 Landlord's liability

A person who was formerly the Landlord will cease to be liable to observe and perform the obligations on the part of the Landlord contained in this lease with effect from the date of an assignment of the immediate reversion to this lease.

7.7 Jurisdiction

This lease, any document completed or to be completed in accordance with its terms and any matter arising out of or in connection with it (including any non-contractual obligation) is to be governed by and construed in accordance with the law of England and Wales. The parties agree to submit to the exclusive jurisdiction of the courts of England and Wales in relation to this lease, any document completed or to be completed in accordance with its terms and any such matter (including a dispute relating to the existence, validity or termination of this lease).

7.8 New tenancy

For the purposes of the 1995 Act this lease is a new tenancy.

7.9 Third party rights

A person who is not party to this lease has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this lease. This clause does not affect any right or remedy of any person which exists or is available otherwise than under that Act.

7.10 Terms as to payments by the Tenant

All sums due from the Tenant to the Landlord under this lease are payable as rent and are to be paid without any deductions. Sums other than the Basic Rent are payable on demand.

7.11 No set-off

Neither the Tenant nor the Guarantor may withhold rent or exercise any right of set-off.

7.12 Accidents

Except to the extent stipulated by law, the Landlord is not liable for any loss sustained by the Tenant or any Invitee in the Property unless it is due to the direct act or omission of the Landlord or a person acting in accordance with the Landlord's instructions.

7.13 Severance

If any term of this lease is held to be illegal or unenforceable to any extent, then that term will be deemed not to form part of this lease to that extent and the remainder of this lease will be unaffected.

7.14 Arbitration

Any arbitration provided for in this lease [(otherwise than in relation to rent review)] is to be conducted in accordance with the Arbitration Act 1996 by an independent chartered surveyor with at least 10 years' experience of managing leasehold premises comparable to the Property. The Landlord and the Tenant are to appoint the surveyor. If they cannot agree on the appointment, either party may ask the President to make the appointment.

7.15 Exclusion of warranties

- 7.15.1 [Each of the Tenant and the Guarantor][The Tenant] confirms that it is not entering into this lease in reliance on any representation or warranty given by or on behalf of the Landlord other than any made in writing by the Landlord's solicitors to the Tenant's solicitors.
- 7.15.2 The Landlord does not warrant that the law allows the Property to be used for any purpose (including the Permitted Use) or that the Property is in repair or free from defects or physically capable of being used for any purpose.

7.16 Apportionments

- 7.16.1 Apportionments of sums under this lease are to be made on the basis that such sums accrue evenly from day-to-day throughout the period to which they relate even if they are payable by instalments.
- 7.16.2 If the Tenant has paid the Landlord an instalment of any sum due from it under this lease in advance and the Term is determined otherwise than by forfeiture before the period to which such instalment relates has come to an end, then the Tenant will be entitled to a refund of the part of that instalment relating to the part of the period occurring after determination apportioned in accordance with clause 7.16.1 but the Landlord may deduct from that part a sum that it properly believes covers sums due to it under this lease in arrear where such sums are not then ascertainable.
- 7.16.3 If and for as long as the Tenant fails to pay any sum which is due under this lease in advance, the Tenant's liability to pay such sum apportioned in accordance with clause 7.16.1 is to be treated as arising again each day.

7.17 Continuation

The determination of the Term does not affect the enforceability of any outstanding obligation under this lease.

7.18 Data protection

Where appropriate under the Data Protection Act 2018 the Tenant and [the][any] Guarantor:

- 7.18.1 acknowledge[s] that information relating to this lease (including information relating to them and/or their respective personnel) may be held in electronic and other systems by the Landlord or by any managing agent retained by the Landlord for the purposes of:
- 7.18.1.1 the administration and enforcement of this lease;
 - 7.18.1.2 the management and disposal of the Landlord's Interest; or
 - 7.18.1.3 ensuring compliance with any statutory or extra-statutory request, investigation or demand of any regulator or public authority, government agency, tax authority, or any agent thereof, having jurisdiction over the Landlord; and
- 7.18.2 agree[s] that such information may be used and, where necessary, disclosed to third parties for such purposes.

7.19 Delivery

This lease is executed as a deed and the parties intend that it is delivered today.

7.20 Compensation

Any statutory right of the Tenant or any undertenant to claim compensation from the Landlord on vacating the Property is excluded as far as the law allows.

7.21 Termination Provisions

7.21.1 If the Tenant wishes to end the Contractual Term on any fifth anniversary of the Term Commencement Date, the Tenant may do so provided that:

7.21.1.1 the Tenant provides the Landlord with at least 6 months' prior written notice of its desire to bring this lease to an end on the date which is a fifth anniversary of the Term Commencement Date;

7.21.1.2 all monies due from the Tenant to the Landlord are paid up to date on the relevant fifth anniversary of the Term Commencement Date on which the Tenant wishes the lease to end;

7.21.1.3 the Property is in the condition required by the provisions of this lease; and

7.21.1.4 the Tenant gives the Landlord vacant possession of the Property in compliance with clause 3.16 of this lease; then

subject to the matters in paragraphs 7.21.1.1, 7.21.1.2, 7.21.1.3 and 7.21.1.4 above being complied with then the Contractual Term will end at the expiry of the Tenant's written notice.

7.21.2 The Landlord may end the Contractual Term by giving the Tenant not more than 12 months' nor less than 6 months' written notice expiring on or within 28 days of any fifth anniversary of the Term Commencement Date.

8. [GUARANTEE

In consideration of this lease having been granted at the request of the Guarantor the Guarantor will comply with the obligations on its part set out in schedule 1.]

SCHEDULE 1: GUARANTEE TERMS

1. Guarantor's Obligation

The Guarantor, as primary obligor, guarantees to the Landlord that:

- 1.1 the Tenant will comply with its obligations under this lease during the Guarantee Period. If the Tenant does not do so, then the Guarantor will so comply on demand and indemnify the Landlord promptly against all Liabilities incurred as a result of the Tenant's failure; and
- 1.2 it will indemnify the Landlord against all Liabilities incurred as a result of the Tenant proposing or entering into any company voluntary arrangement, scheme of arrangement or other scheme having or purporting to have the effect of impairing, compromising or releasing any or all of the obligations of the Guarantor in this schedule 1.

2. Waiver by Guarantor

The Landlord may proceed against the Guarantor before pursuing any other remedy.

3. Insolvency of the Tenant

The Guarantor will:

- 3.1 not claim in any insolvency of the Tenant in competition with the Landlord;
- 3.2 pay the Landlord any sums it receives from any insolvency practitioner handling the Tenant's affairs; and
- 3.3 hold all security and rights the Guarantor may have over assets of the Tenant for the sole benefit of the Landlord while either the Tenant or the Guarantor remains liable to the Landlord for any amount due under this lease.

4. Continuing Liability

The Guarantor remains liable under this lease for the Guarantee Period even if:

- 4.1 the Landlord does not insist on strict compliance with the terms of this lease; or
- 4.2 the Landlord does not demand, or refuses to accept, payment of any sum due under this lease because of the breach of an obligation by the Tenant; or
- 4.3 the Tenant's dealings with the Landlord are outside its powers; or
- 4.4 the Tenant is subject to any disability, immunity or incapacity; or
- 4.5 the Tenant ceases to exist; or
- 4.6 part of the Property is surrendered (but in that case the Guarantor will not be liable for that part to the extent that the Tenant is released from liability); or
- 4.7 (subject to the 1995 Act) this lease is varied.

5. Guarantor to enter into supplemental documents

Without prejudice to paragraph 4.7, as and when required to do so by the Landlord, the Guarantor shall enter into any documents supplemental to the lease for the purposes of consenting to the Tenant entering into such supplemental documents and confirming that (subject only to section 18 of the Landlord and Tenant (Covenants) Act 1995) the obligations of the Guarantor under this lease will remain in full force and effect.

6. Disclaimer

- 6.1 This paragraph 6 applies if there is a Disclaimer during the Guarantee Period.
- 6.2 If so required by the Landlord within three months of the Landlord receiving notice of the Disclaimer, the Guarantor will enter into a Replacement Lease (by means of executing a counterpart and delivering this to the Landlord).
- 6.3 The Guarantor will pay the Landlord's costs of preparing and completing the Replacement Lease to the extent that those costs are properly incurred.
- 6.4 [If at the date of Disclaimer an Open Market Review Date has passed but the relevant review has not been completed, then the Landlord and the Guarantor are to complete the review as if this lease was still in existence and the Guarantor was the tenant so as to determine the basic rent to be payable under the Replacement Lease.]
- 6.5 If the Guarantor is not required to take a Replacement Lease, it will pay the Landlord an amount equal to the sums due under this lease that would have been payable, but for the Disclaimer, for the period of 12 months from and including the date of Disclaimer or (if earlier) until the Property is let by the Landlord to a third party.

7. Centre of main interests

The Guarantor will not take any step whereby its centre of main interests for the purposes of the European Union Council Regulation (EC) 1346/2000 on insolvency proceedings may be moved to a different jurisdiction from that in which it is located today.

SCHEDULE 2: OPEN MARKET RENT REVIEW

1. Definitions

In this schedule:

"Open Market Rent" means the yearly rent which one would expect to be payable if the Property were let as a whole in the open market at the relevant Open Market Review Date:

- 1.1 by a willing landlord to a willing tenant and without a premium from either of them;
- 1.2 by a single lease;
- 1.3 with vacant possession;
- 1.4 for a term of 10 years starting on the relevant Open Market Review Date or the unexpired Term as at the Open Market Review Date (whichever is greater);
- 1.5 after the expiry of any concessionary rent period given to reflect the time required to fit out the Property;
- 1.6 otherwise on the same terms as this lease except:
 - 1.6.1 for the amount of the Basic Rent; and
 - 1.6.2 that the Open Market Review Date is the fifth anniversary of the assumed term set in paragraph 1.4 of this schedule;
- 1.7 assuming that:
 - 1.7.1 no concession or inducement which might have been given by a willing landlord to a willing tenant on a new letting has been given other than one which reflects the time required to fit out the Property;
 - 1.7.2 the obligations in this lease have been complied with;
 - 1.7.3 the Property is then in existence and constructed in accordance with good practice;
 - 1.7.4 the Property may be lawfully used by any person for the Permitted Use and that no money has to be spent to enable the Property to be so used;
 - 1.7.5 if the Property has been damaged, it has been reinstated;
 - 1.7.6 no work that diminishes the rental value of the Property has been carried out;
 - 1.7.7 at the Open Market Review Date such willing tenant requires occupation of the whole of the Property for the purposes of the Business and has no requirement to underlet the Property;
 - 1.7.8 the willing tenant can fully recover any VAT that may be payable on the sums due from it under this lease; and

- 1.7.9 the Tenant is entitled at expiry of the Term to the grant of the new lease of the whole of the Property under part II of the 1954 Act equal to the Term and the Landlord will not oppose the grant thereof;
 - 1.7.10 the Necessary Licences are in place in respect of the Property;
 - 1.7.11 the Fixtures are at or on the Property and are available for use by the Tenant;
 - 1.7.12 neither the location nor the physical condition of the Property alone will cause the application by such willing tenant for any Necessary Licences to be refused or to be granted subject to onerous conditions;
- 1.8 disregarding any effect on rent of:
- 1.8.1 any goodwill attached to the Property because of the Business being carried on by the Tenant or any other activity carried on by any other occupier;
 - 1.8.2 any improvement to the Property (as defined in section 34(1) of the 1954 Act) made by the Tenant during the Term with the Landlord's consent (where required by this lease) and at no cost to the Landlord (apart from improvements made under an obligation to the Landlord unless that obligation arises solely out of clause 3.12.1 or an equivalent provision in a document binding the Tenant);
 - 1.8.3 the occupation of the Property by the Tenant (or any other occupier);
 - 1.8.4 any obligation on the Tenant to:
 - 1.8.4.1 reinstate the Property; and
 - 1.8.4.2 keep the Property open for trade;

"parties" means the Landlord and the Tenant (with "party" being construed accordingly) and not the Guarantor; and

"Surveyor" means an independent chartered surveyor with at least 10 years' experience of the letting and valuation of leasehold premises comparable with the Property.

2. Review of the Basic Rent

The Basic Rent is:

- 2.1 until the day before the relevant Open Market Review Date, the amount stated in clause 1.1 as the Basic Rent; and
- 2.2 from and including each Open Market Review Date, an annual sum equal to the greater of:
 - 2.2.1 the Basic Rent payable immediately before the relevant Open Market Review Date; and
 - 2.2.2 the Open Market Rent at the relevant Open Market Review Date ascertained in accordance with the provisions of this schedule; and

disregarding for this purpose any suspension of rent under clause 5.7 operating at the Open Market Review Date.

3. Initiation of the Review Procedure

If at the relevant Open Market Review Date the parties have not agreed on the Open Market Rent payable from the relevant Open Market Review Date, then either party may, at any time afterwards, require that a Surveyor determine the Open Market Rent in accordance with the terms of this schedule.

4. Independent Surveyor

If the parties cannot agree on the appointment of a Surveyor, either party may ask the President to make the appointment.

5. Independent Determination

5.1 The Surveyor:

5.1.1 is to act either as an expert or as an arbitrator (as nominated by the Landlord);

5.1.2 may consider any representations made by the parties, but is not to be bound by such representations; and

5.1.3 must give a determination to the parties within three months of his or her appointment or within such extended period as is reasonable.

5.2 The parties are to pay the Surveyor's costs equally, unless the Surveyor determines otherwise. Either party may pay the share of such costs due from the other on behalf of the other if that share is not paid within one month of demand by the Surveyor. In such a case the amount so paid plus all incidental expenses becomes a debt due and immediately payable from the defaulting party to the paying party.

5.3 If the Surveyor refuses to act or is incapable of acting, the parties are to appoint a replacement. If they cannot agree on the replacement, either party may ask the President to discharge the Surveyor and to make a further appointment.

6. Agreement or determination after an open market review date

The Tenant must continue to pay the Basic Rent payable immediately before the relevant Open Market Review Date until the Basic Rent payable from such Open Market Review Date is ascertained. When the reviewed Basic Rent is ascertained, the Tenant will pay the Landlord as arrears of rent for the period commencing on such Open Market Review Date and ending on the day before the Rent Day following the date of ascertainment both:

6.1 an amount equal to the difference between:

6.1.1 the Basic Rent that would have been paid had the Basic Rent payable from the relevant Open Market Review Date been ascertained on such Open Market Review Date; and

6.1.2 the Basic Rent actually so paid or which would have been so paid but for any suspension of rent pursuant to clause 5.7; and

6.2 interest on each part of the difference at the Base Rate from the Rent Day on which each part of that difference would have become payable had the Basic Rent payable from the relevant Open Market Review Date been ascertained at the relevant Open Market Review Date.

7. Memorandum

When the Basic Rent payable from an Open Market Review Date is ascertained, a memorandum recording it is to be signed by or on behalf of the parties.

8. Restrictions

If at the relevant Open Market Review Date the review of the Basic Rent or the recovery of any increase is restricted by law, then if and when the restriction ends the Landlord may give to the Tenant notice requiring an additional Open Market Review Date on the date specified in the notice.

9. Time not of the essence

Time is not of the essence for the purposes of the review of rent.
